

Oh, the things people say about us...

"The best independent comedy club in the United States,
the Mother F&@%ing Comedy Works of Denver,
big ups to your circuit, most of all big ups to your owner Wende...."

-Dave Chappelle

"It's a great space. It's one of the best clubs in the
country actually. They get the best folks and Wende does
a great job. It's a terrific club!"

-Lewis Black

"Comedy Works Denver is the most amazing club!
We had a blast last night"

-Rob Schneider

"Comedy Works Denver - I really like that club! It's a little club downstairs.
You need a club downstairs in Denver because of the altitude . . .
you want to be a little lower"

-Craig Ferguson

"Comedy Works is the actual single greatest comedy club in the entire
United States and I say it all the time, I say it on my podcast,
I say it on my radio show, it's the actual #1! Every other comedy
club in the country is playing for 2nd place and that's the truth,
that's absolutely a fact, ask any comedian!"

-Jay Mohr
