

# Oh, the things people say about us...

"The best independent comedy club in the United States, the Mother F&@%ing Comedy Works of Denver, big ups to your circuit, most of all big ups to your owner Wende..."

**-Dave Chappelle**

"It's a great space. It's one of the best clubs in the country actually. They get the best folks and Wende does a great job. It's a terrific club!"

**-Lewis Black**

"Comedy Works Denver is the most amazing club!  
We had a blast last night"

**-Rob Schneider**

"Comedy Works Denver - I really like that club! It's a little club downstairs. You need a club downstairs in Denver because of the altitude . . . you want to be a little lower"

**-Craig Ferguson**

"Comedy Works is the actual single greatest comedy club in the entire United States and I say it all the time, I say it on my podcast, I say it on my radio show, it's the actual #1! Every other comedy club in the country is playing for 2nd place and that's the truth, that's absolutely a fact, ask any comedian!"

**-Jay Mohr**
